

To whom it may concern

I am writing this letter to express my feeling about my Uncle Derek Frazier.

My uncle is a loving person, All the times that he was in my life I always felt that I could talk to him about anything, because he is always supportive of my goals and dreams.

He is like a huge teddy bear, I miss being able to go to him when I have a problem. Throughout the 21 years of my life he has always been there for me in my time of need, if not physically then emotionally. I really miss him a lot. He played a huge role in my life & I miss not having him here with my family.

Sincerely,
Tyjanne Frazier
